17 We, the 1st General Assembly (2008-2009) Senate of the Student Government
18 Association of the University of Arkansas at Monticello wish to petition the
19 Student Activities Board (SAB) and would like to bring their attention the
20 following situation:
21

22 This semester has fallen in a unique situation, being at the end of a historic
23 national election, our University's centennial celebration, and possible
24 ratification of a new Student Government Constitution. The Student
25 Government has the opportunity to take the extra involvement in which has
26 been accompanied these historic occasions and utilize these resources to
27 create possible more involvement in Student Government.
28

29 We would also like to bring the SAB's attention, the following recommendation:
30

31 The Senate urges the creation, coordination, and production of a Student
32 Government Inauguration. The Inauguration would be organized by an AD
33 HOC Senate and SAB Joint Committee on Inaugural Events. The Joint
34 Committee would consist of five appointed members from the Senate and
35 five appoint members from SAB, and would work with the Director of
36 Student Programs and Activities, Vice-Chancellor of Student Affairs, and
37 other University officials in the coordination of planning the event.
38

39 The Senate believes that such an event, at such a time, would spark new
40 interests and involvement in Student Government.
